DEMOBILIZATION OF RED CROSS AND WELCOME HOME OF SOLDIERS

An entertainment will be a feature of the demobilization of the Red Cross. It will be a combination affair, as it will be a farewell party for the earnest workers of the local Red Cross, and a Welcome Home to the returning soldiers. The entertainment will be given in the K. P. Hall, corner of Park and Brand. Next Wednesday is the date, and it will begin at eight o'clock. The program has not as yet been completed, but it is understood that several special entertaining features will be presented, and refreshments will be served. All returning soldiers from this community are expected to be there, and it is urged that any of the soldiers who have souvenirs from "over there" be sure and bring them, so that those present may have a chance to see what our boys brought back. Everybody is welcome to this entertainment, so come and bring a friend.

FOR MEMORIAL DAY

Plans are being made for a fitting observance of Memorial Day in Glendale, and, looking toward that end, a joint meeting of the Grand Army of the Republic, the Spanish War Veterans, the League of American Defenders, and the Sons of Veterans was held at the Intermediate school last Monday evening.

The memorial services will be held in the afternoon at Forest Lawn. It is planned to have a grand parade as a part of the program, and all schools and organizations will be invited to participate.

Morning services will be held by the G. A. R. at Grand View Cemetery.

BURBANK BOY KILLED

Charles Overholt, who lives near Burbank, accidentally killed his own little son last Tuesday. The father was hauling hay, and had stopped at home for dinner after putting on a heavy load. While he was at dinner his little son crawled under the wagon and went to sleep just in front of one of the hind wheels. Later, when the wagon was started the little fellow's head was crushed, killing him instantly. Funeral services were held Wednesday, in charge of the L. G. Scovern Company, and the body was taken to Whittier for burial.

CHURCH PROPERTY ASSESSED

Last year when the First Methodist Church building was used for the High School graduation exercises on the ground that it was the only auditorium in the city large enough to accommodate those wishing to attend, some objections were voiced to the effect that a church building, exempted as such from taxation, should not be used for any purpose but that of religious worship. Last week the trustees of the church were notified by the county assessor that the matter had been called to his attention, and in conformity to the opinion of the county counsel he had listed the church property for assessment and taxation this year. When the trustees of the church were asked, Saturday, by the High School authorities, for the use of their auditorium for graduation exercises again this year, they decided to grant the request and to fight the assessment order.

SUIT WON BY CITY

The suit brought against the city of Glendale to declare invalid the election admitting the Grand View district to the city, has been decided. On Tuesday Judge McCormick handed down the decision that the election held a few months ago was entirely legal, and that the territory in question shall be admitted. This was the third election on this question. The first was declared invalid, and the second failed to carry, on account of the fact that the Casa Verdugo district was included at that election, and sentiment there was opposed to the change.

GRADUATES FROM PRACTIPEDIC SCHOOL

Mr. Dave Carney, of Carney's Shoe Store, 112 East Broadway, recently graudated from the American School of Practipedics, of Chicago, and is now busily engaged in giving relief from all forms of foot discomfort to the patrons of that store.

The science of Practipedics consists of using the most advanced methods of shoe fitting in conjunction with the scientific adapting to individual needs of the corrective devices invented by Dr. Wm. M. Scholl, the well known foot authority. All sorts of foot troubles may thus be overcome, and complete foot comfort gained.

This free service will be a regular feature of this store from now on. As Mr. Carney says: "We will not only fit feet, but will make feet fit."

Lieutenant John Stauffacher has been released from the aviation service, and is now at the home of his parents, Mr. and Mrs. J. W. Stauffacher, 721 Orange Grove Avenue. His work has all been in California, at Berkeley, Rockwell, and March fields.

Mrs. John Robert White reports that the May Festival, held Friday of last week at the home of Mrs. Ella Richardson, was a great success, showing a net profit of about $210. This money goes to further the work of the Parent-Teacher Associations of Glendale, under whose auspices the affair was held.

Mrs. Ralph Meeker, head of the Victory Loan Drive in Glendale, has received from official headquarters an honor flag for the city. It is a large white flag, bordered with red and blue, and has a big blue "V" in the center. It is to fly from the municipal flag pole.

Miss Marjorie Wallace is visiting relatives at Victorville, Calif.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board assembled Thursday at 8 p. m., all members present. The minutes of the last regular meeting and of the adjourned session of May 19 were read and approved.

Hearing of Application Postponed

The application of the Los Angeles and Santa Paula Express Co. for permit to drive auto trucks in the express business over the streets of the city, the hearing of which was set for 8 o'clock p. m. on this date, was on motion of Trustee Shaw, and in accordance with the request of the applicant, postponed until 8 o'clock p. m., May 29, 1919.

Honor Flag Presented

Judge F. H. Lowe, City Recorder, presented to the Board of Trustees, Honor Flag presented to the people of Glendale in connection with the Liberty Loan Campaign, on account of the success of the committee having charge of that work. Judge Lowe suggested that the flag be displayed in the public schools of the city as a recognition of the valuable assistance given by teachers and pupils in the work of the committee. Chairman of the Board thanked Judge Lowe, Mrs. Meeker and others who were active in promoting the success of the campaign, and accepted the flag on behalf of the people.

Complaint

Mr. A. C. Ullrich appeared .before the Board and made a complaint against the operation of the Crystal Ice Company's Plant on Wilson Avenue near his residence. Mr. Ullrich alleged that on account of noise and the dense smoke produced by the plant, which is disseminated over the immediate neighborhood, that it constitutes a serious nuisance. He stated further that several explosions had occurred at the plant. Mr. H. Coker, proprietor of the establishment complained of, replied to Mr. Ullrich, denying in general his assertions. Mr. Coker stated that the alleged explosions were merely "back-firing" and that no complaint had been previously received by him from the people of the vicinity during the three years and five months that the plant had been in operation. The matter was referred to the Committee of the Whole.

Memorial Day

Rev. C. R. Norton appeared as the chairman of committee appointed by the G. A. R. post to call the attention of the Board to the coming Memorial Day, and stated that it was desired to have the Trustees call the attention of the people to the exercises of the G. A. R. and other patriotic associations on that date. Mr. J. V. Griffin also spoke in support of Mr. Norton, requesting that the chairman of the Board, by proclamation or otherwise, direct the attention of citizens to the day and its observation here by special exercises to take place at Forest Lawn. He extended an invitation to the members of the Board to attend the exercises and take part in the parade.

Mr. Plume, representing the League of American Defenders, also spoke on the subject, urging the participation of members of the Board and citizens in general upon this occasion. He stated that upon the program for the exercises would be the presentation to the League of a flag secured by popular subscription and which, it is desired, shall be presented to the League at that time by the Mayor. On motion, the chairman of the Board was requested to make the presentation of the colors as requested; and further that the city officials and the people of Glendale in general participate in the celebration of the day.

Gai and Victor and Felice Campanella, owners of land lying immediately west of the intersection of San Fernando Road and Colorado Street. The writer stated that during the last few years the property had been damaged to a considerable extent by storm water diverted from its natural course onto the property of the clients. He requested that the situation be investigated, and expressed a desire to discuss the matter with the Board of Trustees, and

Application was read from H. R. Miller for permission to install a fifteen-ton wagon scales in the street in front of the Tropico Feed and Fuel Yards, 1507 San Fernando Road. The chairman suggested that the Public Works Committee join with the City Manager in an investigation of conditions at the place referred to and that action be deferred.

A communication was read from Winifred F. Marr, stating that she had been unable to see a copy of the contract between the City and the successors of the Newport Water Co. in Verdugo Canyon, in regard to water rights etc., the same not being in the possession of the City Clerk. The writer requested that the contract be filed with the City Clerk for public inspection.

Orange Street Protests

The time of protests to be received against the opening and widening of Orange Street having expired, a number of protests which had been received were presented to the Board by the Clerk and the time of hearing the same was set for 8 o'clock p. m. on June 5, 1919.

Transfer of Funds

The following motion was adopted:

That for the purpose of reimbursing the Insurance Reserve Fund for sums heretofore transferred from said fund to the funds hereinafter mentioned, the following sums be transferred to said Insurance Reserve Fund:

From General Budget Fund, $2,719.46; from General Service Fund, $90.36; from Public Service Fund, $2,400.00.

The City Manager requested that action be deferred on the suggestion made by him at the last regular meeting of the Board in regard to the manner of handling traffic at the junction of Broadway and Brand Boulevard. He reported that the improvement of East Broadway is practically completed, and it was informally agreed that the Trustees make a personal examination of the improvement.

Municipal Telephone

The Engineer of the Public Service Department reported that Mr. Irwin, the engineer appointed by the Board to assist him in an investigation for the purpose of securing data for report in regard to proposed municipal telephone system, had commenced work on the matter. In reference to this subject the City Attorney stated that no decision had yet been given out by the United States Supreme Court in regard to the case brought before it bearing on this subject, and he is still of the opinion that pending the receipt of this decision no action need be taken by the City.

The Railroad Commission has ordered the telephone company to put the collections made on the disputed bills into a special fund, so that in case a decision of the Supeme Court is against the telephone company the excess money be refunded.

The City Attorney stated that he had attended the hearing of the San Digeo case in the Federal Court in Los Angeles, which had been continued pending the decision of the United States Supreme Court.

Grand Avenue Annexation

In reference to the suit brought by certain parties to have the annexation of the Grand Avenue District declared void, the decision of the court had been in favor of the City of Glendale, confirming the annexation of the district.

The City Attorney reported that he has filed final judgment in the matter of the opening and widening of Sycamore Canyon Road.

The City Attorney stated that the "City Attorneys' Association of Southern California" would hold a special meeting at 2 o'clock p. m. May 24, in the Los Angeles City Hall, to consider the matter of the pending application of the Pacific Electric Railway Company for permission to in-

The City Atorney had prepared a resolution which was adopted:

"A resolution determining that the public interest and necessity demand the acquisition by said city of the following improvement, to wit: "The necessary land whereon to construct, and the construction and completion thereon of a public assembly and convention hall; the cost of which will be too great to be paid out of the ordinary annual income and revenue of said city."

Trustee Shaw in voting the above resolution made the following explanation: "I desire to state that I vote for the foregoing resolution regarding the necessity of a public assembly hall in deference to the request of a large number of citizens of Glendale, and to facilitate the calling of a bond election therefor, as requested by them, and do not thereby commit myself to the support of said bond issue, either personally or as a High School Trustee, believing that provision for such an assembly hall should properly be made by the High School."

A resolution was adopted:

"A resolution determining that the public interests and necessity demand the acquisition by said city of the following municipal improvement, to wit: First, the acquisition of land and improvement of same for a public park and playground; Second the acquisition and completion of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said city, to wit, lands, wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity.

"The cost of each of which improvements will be too great to be paid out of the ordinary annual income and revenue of said city."

On motion of Trustee Shaw the City Manager and the City Clerk were instructed to secure polling places and election officers for the coming bond elections.

MISSIONARY SOCIETY MEETING

The Presbyterian Misionary Society held a most interesting afternoon session on Thursday afternoon. A delicious warm luncheon was served to about 60 ladies, after which a short program was held, with Mrs. Dr. L. E. Richardson presiding. One item of great interest was the fact that there would be held a vacation Bible School in Tropico, which would be called a Community Bible School. Both Methodist and Presbyterian churches will co-operate in the work.

The afternoon session was opened by prayer by Miss Adda Burch former missionary to Chili. Mrs. Fred Wheeler of Westlake Methodist Church sang most beautifully "Calvary." Mrs. Mottern, representing the Lutheran Church, Glendale, read the Scripture lesson. Mrs. Ella Melody, of Peniel Mission, followed in a Bible Reading which was a great spiritual uplift. Mrs. Haynes, representing the Baptist Church, spoke on India. She gave two aspects of life in India—the bright and the dark side. Mrs. Fred Wheeler, of the Methodist Church, spoke on the work of the Methodist Church in India, giving some startling statistics. India is a race of hungry people. Mrs. Dr. Rider spoke for the Presbyterian work for Mexicans in Monrovia. Dr. Rider spoke on the needs of Armenia. Miss Scott, of Los Angeles, spoke of of the industrial work in India. Mrs. Kilborn, of the Christian Church, of Glendale, spoke of the work in Jamaica Mexico, China, Porto Rico, and Canada. Mrs. Yarick, of the Congregational work, spoke of the social feature of mission work. Mrs. Dr. Richardson represented the Christian Misionary Alliance and its work.

Mrs. Dr. Rider presided at the afternoon session, which was most interesting.

Mrs. James Wallace is visiting her mother at Corona.

Mr. M. A. Gallup and family have returned from a month's vacation on their son's ranch near Palmdale.

AS BEAUTIFUL AS A POEM

The following is a waif floating about in newspaperdam without any indication of its authorship:

"Is religion true? I don't know and I don't care. But if it is a lie, it is the most beautiful one ever told, one from which truth itself might learn. Could we exist as a nation without it? France tried it. Does it do any harm? Then why destroy it? Don't. It's as old as civilization. It was almost all our mothers'. We've been sung to sleep a thousand times by its hymns. We are better men and women now when we hear them sung. They are joined to tender emotions. It has made many a man happier and better, more honest, tender and forgiving. Many a man and woman have lain down with its shades peacefully, nobody knows where. Don't destroy it. Why, nine-tenths of the mothers in America believe in it. That's enough for it. It has been growing on our hearthstones for ages. Let it stay there. It can't hurt you. It is such a loving religion. What will you give in its stead if you take it away? Philosophy? What are you to do when tired and homesick? Love? Earthly loves are so selfish. It is such a beautiful delusion. Don't destroy it. Weave the silver threads that reach down from the stars of Bethlehem into the golden roof sunlight. Train its clinging tendrils around the bare walls of our lives and cover up the ragged corners and rough, unsightly places with the beautiful story of Calvary."

The man who advertises never has to worry. He's too busy.

W. C. T. U. NOTES

The City W. C. T. U. Federation held an interesting monthly meeting on Wednesday. The forenoon session was devoted principally to business. The president, Mrs. M. W. Law, told of the reorganization of the members of the Woman's Committee of Defense into what is to be known as the Woman's Council of Community service. The suggestion made by a W. C. T. U. member of Pasadena that chaperons accompany "hiking parties" on Sunday was favorably considered. The afternoon session, Mayor Woodman, Councilmen Conoway and Conrad, and E. P. Braunton, A. P. Fleming, Mrs. Hester Griffith and Mrs. Chester Ashley were present and spoke in the interests of their candidacy. The Federation voiced a protest against the action of President Wilson in asking for the repeal on beer and wines.

Mrs. Ruby Smart, President of the Glendale Union was honored by a birthday reception and membership shower on Thursday. 65 new members were gained. An address by Mrs. Kara Smart Root and vocal solos by Mrs. Malbrider, daughters of the honored guest, together with gifts, flowers, and a birthday cake, made the occasion a gala one. Mrs. Palmer, member of the Glendale Union, was elcted a member of the Southern California Home Board.

The State W. C. T. U. convention will be held at Santa Ana on May 27 to 30, in the First Baptist Church.

THIS is a picture of an English bakery of the fifteenth century. That was a long time ago and things have changed since then. Among these changes is that of preparing food. We know how to make

of a kind that makes eating a pleasure for the people of this community. They have the home flavor, and their use avoids the drudgery of home baking. They invariably bring our customers back for more.

Quality and cleanliness are the twin mottoes of this bakery at all times.

MINSTRELS, VAUDEVILLE, AND PICTURES

Show for Building Fund Next Tues- Tuesday Night

At the Palace Grand Theatre next Tuesday night, May 27th, a show will be given to help swell the fund for the building of the new Catholic Church in Glendale.

The evening's entertainment will start with the great picture, "Something to Do," featuring Bryant Washburn. This is a big picture, and is a very enjoyable comedy.

The vaudeville promises to even eclipse the one run last time, and Mr. Mellish, who is directing the evening's entertainment, says that everything is in fine shape.

The opening of the vaudeville will be entitled "Society Night," and will introduce singing, dancing, magic, club swinging, elocution, and other specialties.

The cast will include Joe Griffin, Capt. W. C. Wattles, Prof. Foley, A. W. Dickinson, and George Dodson.

The ladies of the chorus will be Miss Edna Lawson, Mrs. Ann Thomas, Miss May Walsh, Miss Dorothy Moffitt, Miss Irene McLaren, Miss Grace Goudie, Miss Clara Goudie, Miss Henrietta Folz, Miss Margaret Brennan, Mrs. May Hunter, Mrs. Bertha Langman, Miss Peryl McGowan.

The men in the chorus will be Mr. Rondolph Doll, Mr. Frank Fangman, Mr. Marcellus Doll, Mr. Joe Fangman, Mr. Ernest Martinez, Mr. Henry Barlett, Mr. Andrew Keller, Mr. Frank Strasser, and Mr. Frank Budway.

The program will be as follows:

1 Song, Mr. A. W. Dickinson, assisted by chorus, "At the Coffee Cooler's Tea."

2. Captain W. C. Wattles, club swinging.

3. Miss Viola Yorba, Casa Verdugo's sweet singer.

4. John and Emeline Chalfants, pupils of the Pearl Keller School, cake walk and Hawaiian dance.

5. Prof. Foley, sleight of hand and magic.

6. Harry Karpels, the second Harry Lauder.

7. Adam Fangman, monologue, funny stories and elocution.

8. Norman Otis, Glendale's popular baritone, "Dear Little Boy of Mine."

9. Miss Maude Ryan, Los Angeles and Glendale's favorite, in popular songs of the day.

10. Mr. Joe Irion, Highland Park's popular tenor, "How Ya Gonna Keep Them Down on the Farm After they they have Seen Paree?" Assisted by chorus.

The show will be under the direction of Mr. J. H. Mellish, and will be one of the best ever shown in Glendale. He has worked hard and long getting things into shape, and has worked his enthusiasm into those who will take part. He says it will be a knock-out.

The doors of the theatre will open at 7:15, and the curtain goes up at 7:45. All seats are fifty cents, and none of the seats are reserved, so those who are going to attend had better get there early.

The cobwebs fill the front door of some business houses. The proprietor doesn't believe in advertising.
